11 MATTHEW BOLSHIN and IRINA
12 KHMELNIK,

13 Plaintiffs,

14 v.

15 ELATE MOVING NETWORK LLC,

16 Defendant.

17 CASE NO. 2:24-cv-00363-MJP

18 ORDER GRANTING
19 CONTINUANCE IN PART

20 This matter comes before the Court on the Parties' Stipulation to Continue Trial and
21 Pretrial Deadlines (Dkt. No. 54). Having considered the Motion and all supporting materials, the
22 Court GRANTS the Motion IN PART.

23 The Parties contend that good cause exists for a continuance in this case for three reasons.
24 First, they allege that a continuance will "allow[] the Court adequate time to consider and rule on
the pending dispositive motions for summary judgment." (Mot. at 1.) Second, they say that a
continuance will "alleviate the burden on the parties of preparing motions in limine," which are

1 due on June 9, 2025, and “other pretrial filings.” (Id.) Finally, they claim that a continuance of
2 the remaining pre-trial deadlines in this case will afford them “additional time to engage in
3 meaningful alternative dispute resolutions efforts.” (Id. at 2.) On this record, the Court only finds
4 there to be good cause to grant a brief continuance as to the June 9, 2025, deadline for the Parties
5 to file their motions in limine, and so CONTINUES that deadline until June 16, 2025. The
6 remaining deadlines in this case, including the trial date, will remain as set per the Court’s Order
7 Setting Trial Date & Related Dates (Dkt. No. 18).

8 The clerk is ordered to provide copies of this order to all counsel.

9 Dated June 4, 2025.
